

Dance Fusion Community Dance School

April 2014

The Big Move

We are very pleased to announce that we have managed to secure Stafford Sports College as the new and on-going home of Dance Fusion Community Dance School. As a Dance School we have always had a great relationship with the school and are looking forward to this continuing.

So you ask why are we moving and what does this mean to us?

As of 28/04/2014 all of our classes that were previously held at St Peter's Church Hall will be moving up to the school, all other classes/venues will remain as they are currently.

Although we are extremely grateful to St Peter's for their support and use of the Hall, a number of parents and students have mentioned

how much more they enjoyed Dancing at the School because of the added space.

There are many benefits;

- Larger area to dance,
- Large car park,
- Classes won't have to get moved to and from venues,
- Dancers familiar with surroundings for when completing exams,
- Large foyer for parents to be seated whilst classes are on,
- The School are hoping to have a coffee bar fitted so hot drinks will be available very soon,
- Competition dancers will have a bigger area to improve stamina and routines.

We will also be working in partnership with the school teaching a Stafford Sports

College students only class every week whilst supporting them with shows etc.

To celebrate this exciting move we will be running a promotion week on our first week at the school with a

Bring a friend (who does not already attend any Dance Fusion Classes) and you both dance for free!

If anyone has any questions with regard to the move please email dancefusion1@hotmail.co.uk and we will reply to you ASAP. The reason we are asking for email is that we want to minimize disruption to the classes as much as physically possible so that the Dancers get more tuition time.

Alternatively, feel free to ask any of the committee members.

Fused Display team performed at Blessed William Howard in March and are also performing at Stafford Sure start at the beginning of April. Well done and good luck with the forthcoming performances.

Dance Fusion Competition Squad

In March we have had some excellent results at all the competitions.

Amy Mackay became our first ever Intermediate in Freestyle Solo,

Aisha Allen lost her second Starter life,

Elise Platt lost her first Novice life in Slow.

If we have missed anyone who lost a life in March please email us and let us know so we can put it in next month's newsletter.

For anyone who wishes to join the Competition Squad please see Claire to enquire!

Dance Fusion Exam Results

We are very pleased to confirm that Dance Fusion maintained its 100% pass rate with a high percentage gaining top level marks. Congratulations to all who entered- your hard work was rewarded!

Good Luck with the forthcoming Competitions!
